To whom it may concern,

My name is Jonnie Bridgman. I am a band and physical education teacher at Royal Oak Middle School in School District #63.

I am writing in support of Junhyung Choi in his pursuit of joining the PEP and IGS programs at Claremont. I have taught Junhyung in band and PE over the last three years. Junhyung consistently has shown excellent focus, effort and engagement in class. His strong work ethic in band has led to exceptional skill on his instrument and the ability to perform advanced repertoire and improvise with musicality and confidence. Junhyung often shows leadership amongst his peers and takes advantage of enrichment opportunities to further develop his skills. I am confident that the work ethic and excellence that I see from Junhyung in the band classroom is evident in many other subject areas.

Please feel free to contact me with any further questions and all the best to Junhyung in his future academic endeavors.

Sincerely,

JONNIE BRIDGMAN (he/him)
